Ya Allah: Call upon Allah

During Hajj 2019 we had asked people to share their Du'a requests for us to make during the Hajj journey.

At times it can be difficult to make long Du'as; hence we used the Du'a requests to compile this list to help each other to make Du'a, ensuring the personal parts have been taken out.

It is our hope that the sincerity people had whilst sending those Du'as, will manifest in our own Du'as we make to Allah and have them accepted.

Supplications

If you are unable to come up with Du'as to make, use the following as a guide, may Allah reward those who have sent these Du'as:
